Affidavit of KANAUCHI, Ryosuke

- 1.) From Sept. 1, Teisho 11 (1922) · I served in the East Asia Until
 Finance Investigation Bureau, and: . Aug. 31, Showa 16 (1927), I
 continued to be a member of the same bureau.
- 2.) During this period of time a Japanese book entitled Two Speeches at the Pacific Conference was published by the Investigation Bureau. This is the Japanese translation of Pr. M.TSUOK., Yosuke's speeches found in the English minutes of the 3rd Proific Conference held at KYOTO. I attended to the translation by order of the same Bureau and with the utmost eare and faithfulness. I have a fairly good commend of both English and Japanese, can read and understand both quite well and am competent to handle correct English-Japanese translation.

I testify that Defense Document No. 175 is a portion of the abovementioned book whose English-Japanese translation I undertook, and which was published by the said Bureau.

3.) I know that on Sept. 28, Showe 4 (1929) the Bureau published a book entitled Chinese Anti-Ispanese Education Material. consisting of 153 pages, as the 2nd of the To. SHOSATSU (TW: - East Asia Famphlets) Series. The material upon which this book was based was the enti-Japanese passages, taken from the text-books used at that time for the national advection in China. The passages were compiled in their original Chinese form with no findification whatsoever on the originals. The Chinese text-books used for this purpose were kept at the Bureau at that time, but have since been submitted to the Allied Authorities. The Defense document No. 137 is

(TN: - a portion of) the above-mentioned book.

On Oct. 28, 1931 the Bureau published the Menchurian Year-Book, in English, consisting of 347 pc cs. I testify that the PleRenew Accordance tools.org/doc/6469d0/
